

EUROPEAN JET RAID CUP 2025

MILLES ILES

A combination of adrenaline sports and the beauty of the Croatian coast

European Jetraid Cup – Mille Iles 2025 is a unique international jet ski competition that will take place along the Croatian coast, from Poreč to Crikvenica, Biograd, Makarska, Dubrovnik and then to Makarska and Zadar.

This adrenaline-filled event brings together **top jet ski riders from Europe and the Middle East**, offering them the opportunity to compete in the challenging conditions of the Adriatic Sea, with the support of local communities and an enthusiastic audience.

Through Mille Iles 2025, participants will cover a **1,000km route in 7 days** on jet skis while their teams and spectators follow them by land and live streaming. They will stop at daily destinations and check points.

This event highlights the importance of sports tourism and contributes to the promotion of Croatia as an attractive destination that combines sport with a rich cultural and natural offer.

The importance of jet ski racing for the promotion of tourism and sports in Croatia

- Attract thousands of adrenaline sports enthusiasts
- Attract young people and provide education in boat handling
- Provide a platform for promoting natural beauty, cultural heritage and the hospitality of local communities
- Promote Croatia as an ideal destination for adrenaline sports and active holidays
- Extend the tourist season (pre- and post-season periods)
- Raise awareness of water safety
- Increase the engagement of local residents

The attractiveness of aquabike sport:

- Dynamic and unpredictable racing on waves
- Modern equipment and the latest jet ski models
- Unusual adrenaline experience for spectators
- High speeds, sharp turns and great precision of competitors
- Top physical fitness and competitive spirit
- Unique locations and contact with nature
- The proximity of the track gives the audience a sense of involvement
- Acrobatic performances of competitors
- Junior classes and customized jets for competitors 7-9 years old

Organizational capacities and resources:

Infrastructure and technical resources:

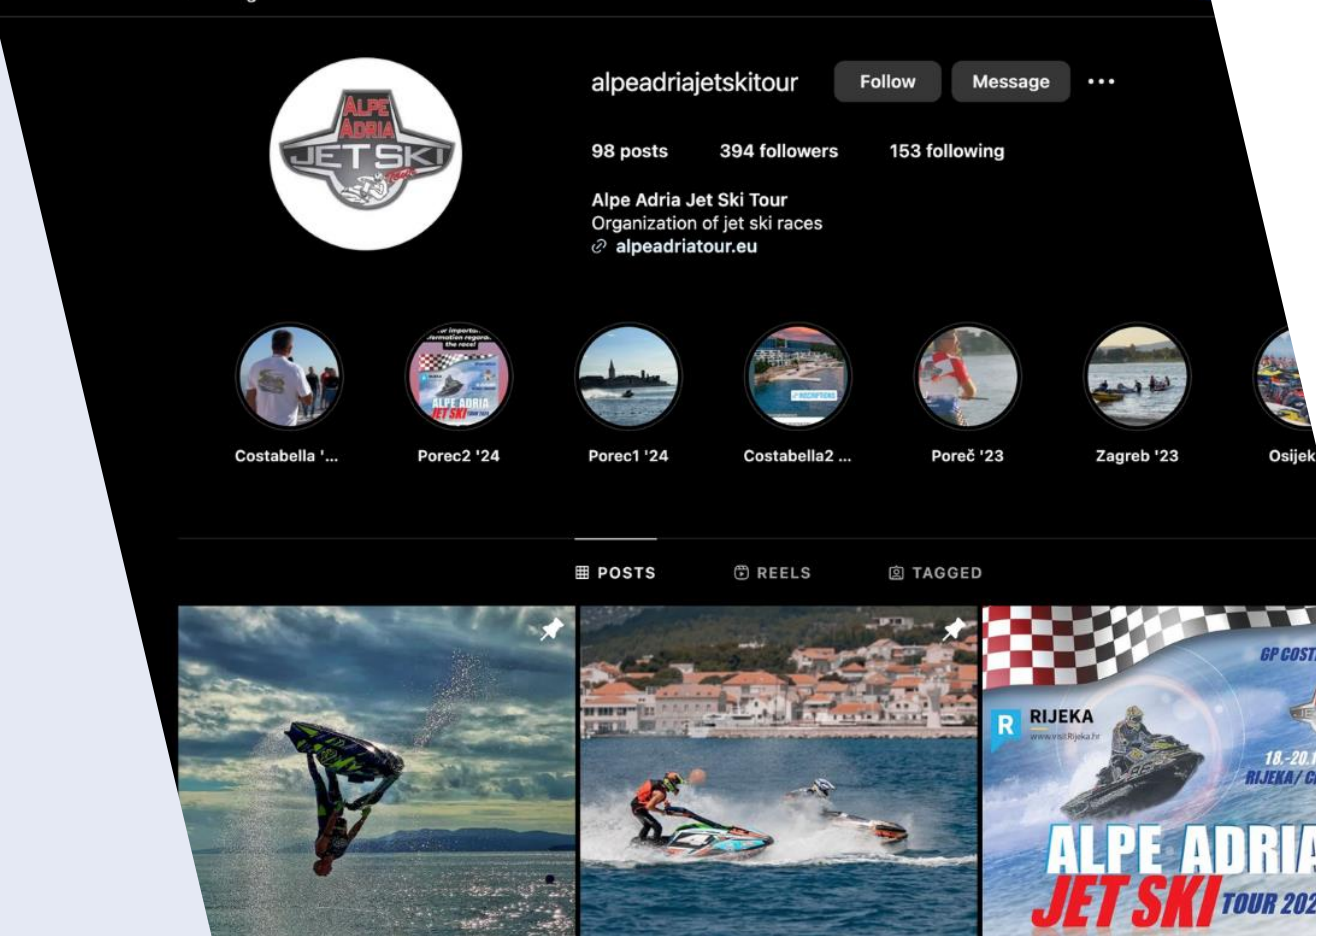

- Modernly equipped paddock areas for competitors
- Safe checkpoints (Check Points - CP)
- Video walls for displaying results and race moments
- Using drones for live broadcasts
- Mobile IT centers for coordination
- Continuous support for competitors at each location

Communication platforms:

- Online applications through the website
- Facebook group and Instagram profile
- WhatsApp group
- Communication with the presidents of the national power boating associations
- UIM support and communication channels
- Registration in the calendar of international sports events of UIM

Instagram

Racing numbers will be assigned according to the principle *first registered – first elected*.

Hilton Rijeka, Costabella beach

Our resort is on the coast of the Adriatic, between the seaside towns of Opatija and Rijeka. We are surrounded by the scenery of Risnjak National Park and Učka Nature Park. Enjoy watersports and relaxation on our 200-meter-long beach. All accommodations are sea-facing, and we offer two pools, six restaurants, and a full-service eforea spa and health club.

Route from Zagreb Airport
